

Plants found in Common Pleas (1381 to 1554)

The references below, in chronological order of year, are to images at http://aalt.law.uh.edu/Indices/CP40Indices/CP40_Indices.html which have matched with the search key pl?nt or pl?nte or pl?ntt (where the ? has found a, e, o, or y).

A transcript with translation of each item is available from David Bethell at admin@theoriginalrecord.com for £5 each item.

In the item below for example, which has two hits on the name Plante, CP40_483 denotes the link [483](#) in the Common Pleas column for the year 1381 and **f 862** denotes the image [483_0862.jpg](#) in which reference to William Plante is to be found. (Instead of **f** sometimes **r** means recto [front of membrane] or **d** means dorso [back of]).
